TO WHOM IT MAY CONCERN:

We have been a Kleen Oil customer since before 1997 and have Kleen Oil Systems on all of our larger buses. It is a great product that we can use our oil for a longer time before oil changes to help save on unnecessary oil consumption.

We have had no engine failures or any bearing rolls and less maintenance costs and no downtime. We will continue to use Kleen Oil in the future on all of our larger buses.

Yours truly,
